Indochine

Staying true to the original concept of great Vietnamese cuisine and five-star service, Indochine remains authentically Vietnamese with a beautiful old colonial style décor. The wooden shutters, old prints, wicker chairs and fringed lampshades create a warm and inviting ambience.

Indochine offers brand new elements, such as a stunning terrace area, a creative Asian-inspired cocktail list and an extensive range of wines, new delectable Vietnamese dishes and an assortment of cigars. Guests are welcome to use the five exclusive private rooms on three floors.

We continue to offer authentic Vietnamese food with a French influence. The new menu now includes various vegetarian choices and tantalizing new dishes.
